Dear Excellencies,

I am sending you a letter which I sent on behalf of my Group, the Unified European Left to the Minister of Foreign Affairs, to Mr. Mevlüt Çavuşoğlu.

I would be grateful to you for monitoring closely the developments concerning situation in Northern Syria following the statements of Turkish authorities about an upcoming invasion of Turkish military into Northern Syria. I would appreciate if you could reach out to Turkish authorities in order to prevent the threat of military action.

Yours sincerely,

Tiny KOX,
Chair UEL in PACE
